Coverage Report

September 1st to 13th 2021

During the period, 31 articles related to the bilateral relationship between Mexico and the United States were compiled. 22 of the articles were published by think tanks in Mexico, while the remaining 9 articles were published by United States think tanks. The *Consejo Mexicano de Asuntos Internacionales* (COMEXI) was the center with the most publications related to the bilateral relationship with 17 publications, followed by followed by the Mexico Institute and The Coppel-Intuit Center for Binational Institutions (CBI) with 3 notes each.

During the period, three main topics were discussed, the most mentioned topics were: **Economy**, in relation to the High Level Economic Dialogue (HLED), **Bilateral Relations**, and **Geopolitics**, touching topics on the bilateral agenda between Mexico and the United States, as well as China as a world superpower. Additionally, **International Trade**, **Energy** and **Institutional Relations** were topics present during the period. Finally, **Diplomacy**, **Migration**, **Globalization**, **Security** and **Abortion**, among others, were topics mentioned.

Topics covered
