## March 21-25, 2022

The U.S.-Mexico 360 public diplomacy initiative provided the opportunity for 16 U.S. leaders from federal, state, and local governments; business; think tanks and other research institutions; advocacy organizations; and NGOs to meet counterparts on a professional study tour in Mexico City in March 2022. Participants represent a diverse set of institutions and many aspects of U.S.-Mexico policy, including politics and government, economics and trade, industry, education, media and communications, and research and advocacy.
